

Canvas SSO MHS User Guide

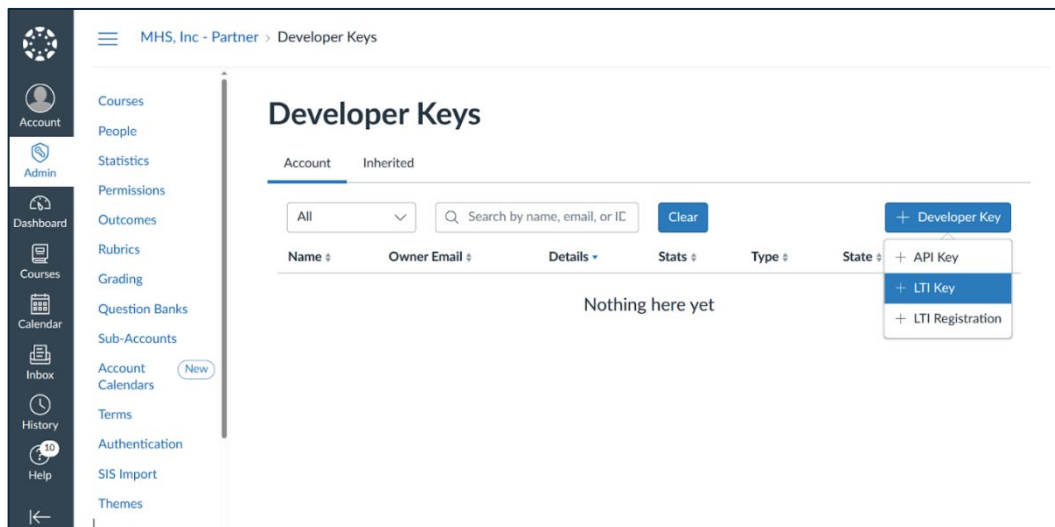

Overview

This guide provides step-by-step instructions for configuring Canvas Single Sign-On (SSO) using the LTI 1.3 standard to enable secure access to the MHS Group Insights (MGI) application. By integrating with Canvas, districts can streamline educator and student login using existing credentials, simplify app deployment, and ensure accurate authentication across multiple classrooms. The setup process includes configuring a developer key, installing the MGI app, and activating the connection within the MGI platform.

Step-by-Step Instructions

Step 1: Sign in to Your Canvas Admin Account

1. Navigate to your Canvas Admin Dashboard.
2. In the left-hand menu, go to **Admin** → **Your Admin Account** → **Developer Keys**.

Step 2: Create a New LTI Developer Key

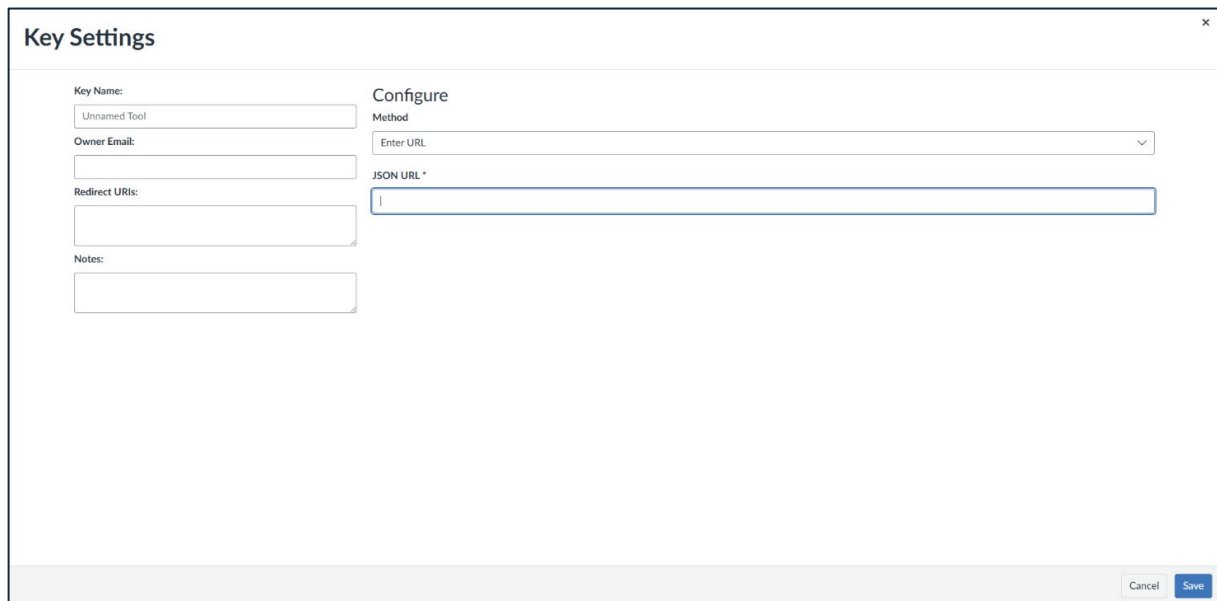

1. Click the **+ Developer Key** button.
2. Select **+ LTI Key** as the key type.
3. In the form that appears, set the method to **Enter URL**.
4. In the JSON URL field, paste the URL provided to you by Customer Service. If you have not received this information, please contact customerservice@mhs.com for assistance.

For more questions, please reach out to our Customer Service Team.

Email: customerservice@mhs.com

TEL: US: 1.800.456.3003 | CAN: 1.800.268.6011 | INTL: +1.416.492.2627

- Click **Save** to proceed.

TEL: US: 1.800.456.3003 | CAN: 1.800.268.6011 | INTL: +1.416.492.2627

Step 4: Install the MHS App

1. Go to **Admin** → **Your Admin Account** → **Settings** → **Apps**.

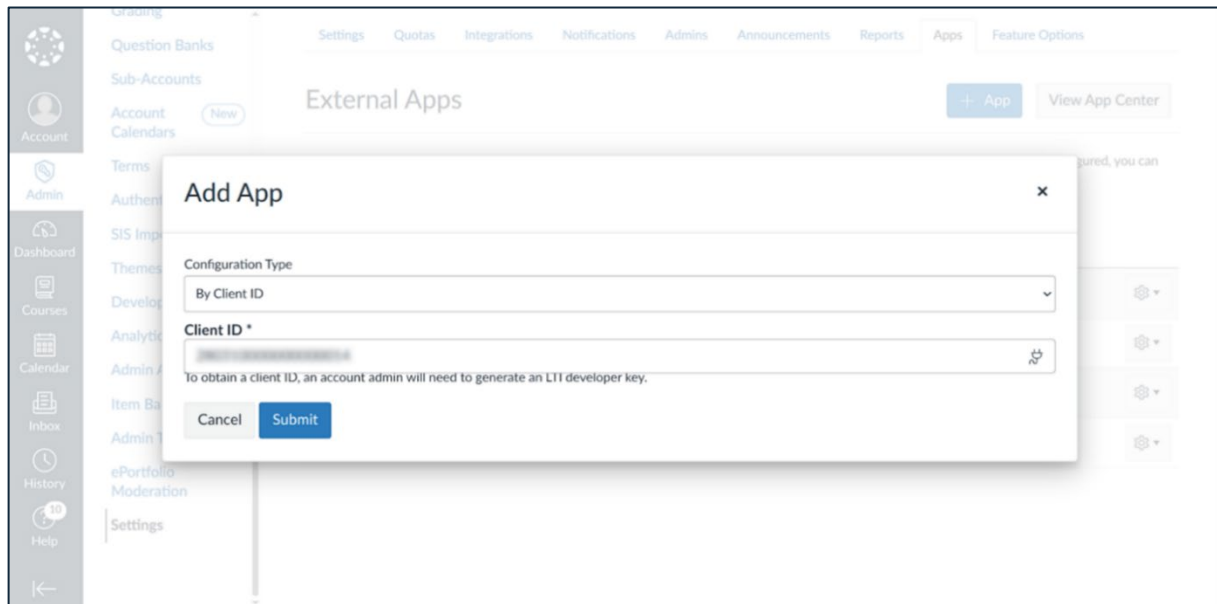

2. View App Configurations, then click **+ App**.

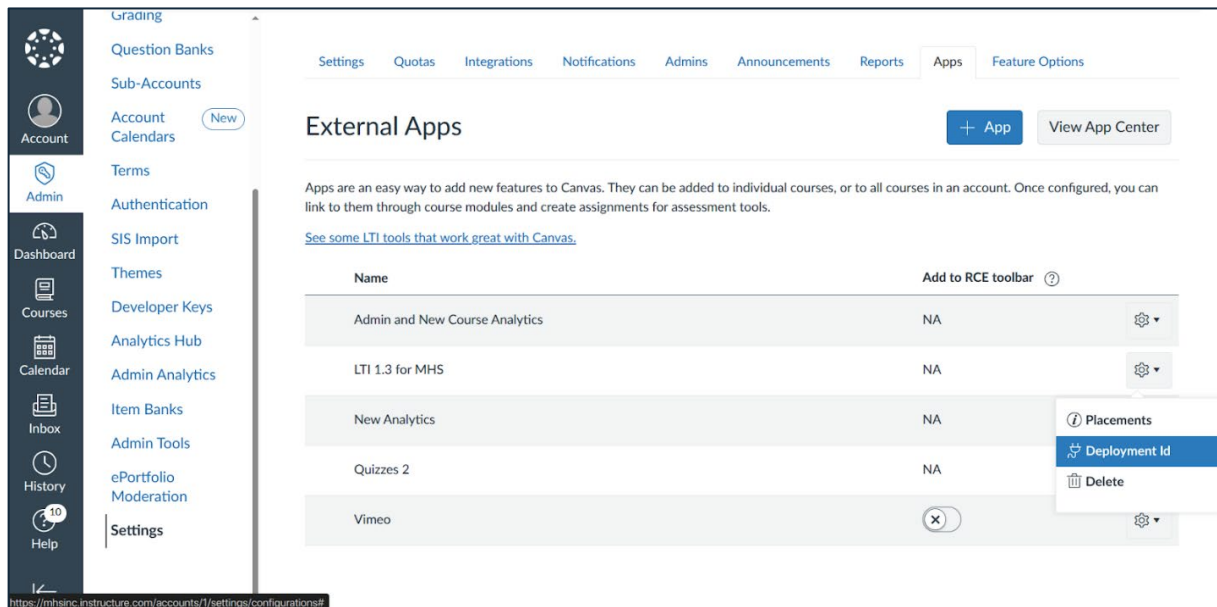

3. In the new app form, set Configuration Type to by **Client ID**.
4. Paste the copied **Client ID** into the appropriate field.

- Click **Submit** and then **Install**.

Step 5: Retrieve Deployment ID

- Once installed, open the App's **Settings**.

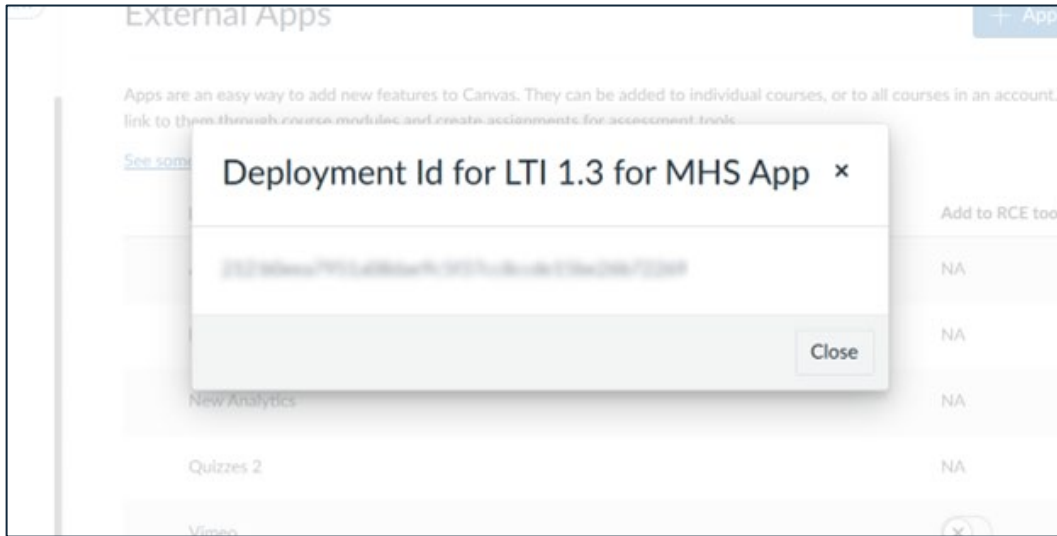

- Click **Deployment ID**.

For more questions, please reach out to our Customer Service Team.

Email: customerservice@mhs.com

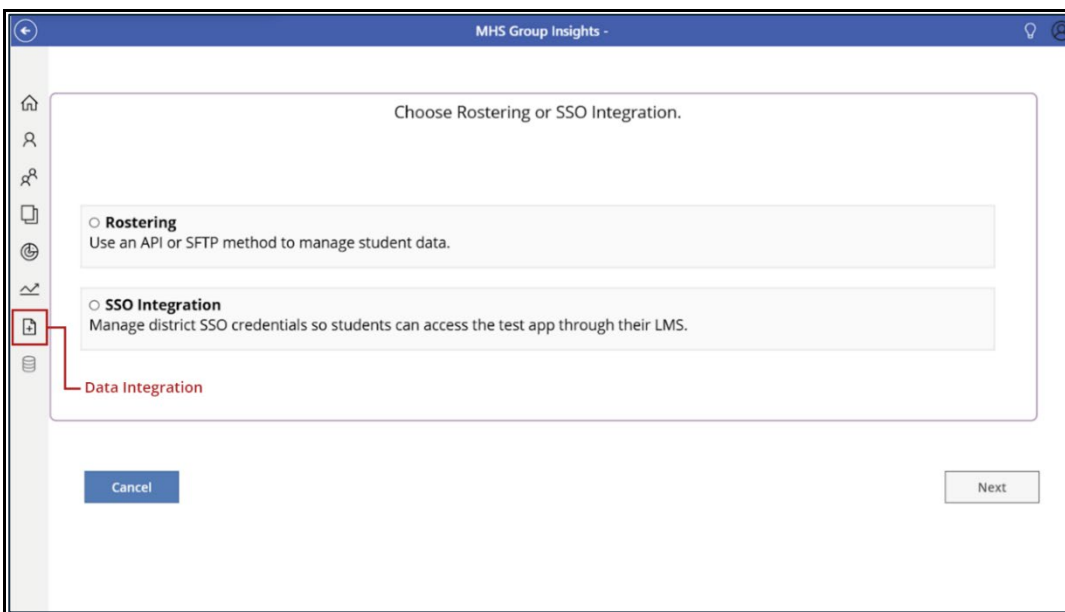

TEL: US: 1.800.456.3003 | CAN: 1.800.268.6011 | INTL: +1.416.492.2627

- Copy the **Deployment ID** value—this value will be used in the MGI setup.

Step 6: Configure the MHS Group Insights (MGI) Application

- Log in to the MGI application.
- From the sidebar menu, click the icon that opens the **Integration Settings** page.
(Refer to the screenshot below to identify the icon).
- On the Integration Settings screen, you'll be prompted to choose between **Rostering** and **SSO Integration**.
- Select **SSO Integration**, then click **Next** to proceed with the setup.

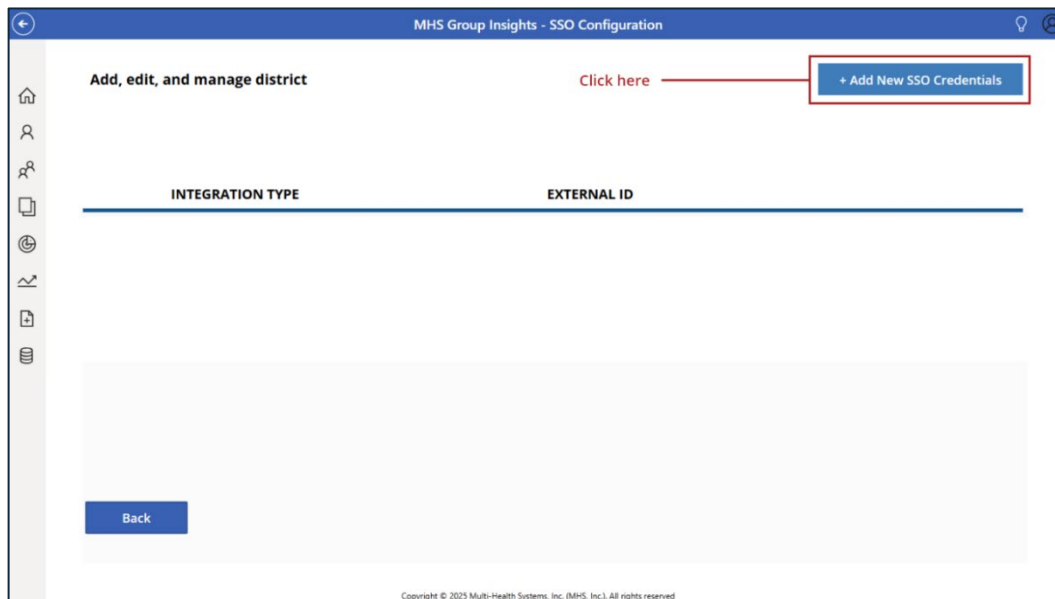

For more questions, please reach out to our Customer Service Team.

TEL: US: 1.800.456.3003 | CAN: 1.800.268.6011 | INTL: +1.416.492.2627

Step 7: Add Canvas SSO Credentials

1. In the next window, click **Add New SSO Credentials**.

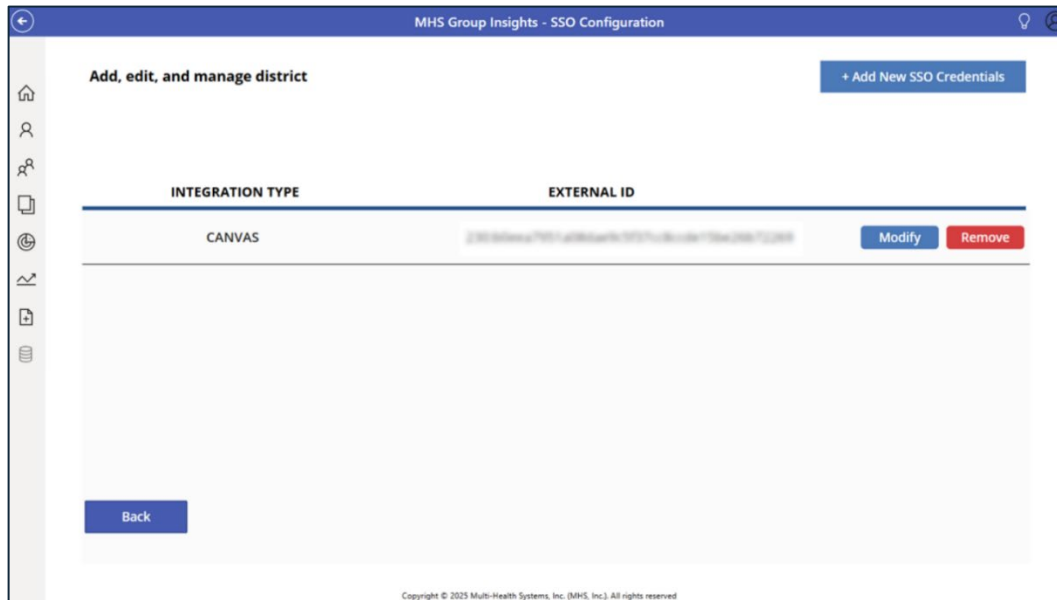

2. Select **Canvas** as the Integration Type.
3. Paste the Deployment ID you copied in Step 5 into the External ID field.
4. Click **Save** to complete the setup.

For more questions, please reach out to our Customer Service Team.

TEL: US: 1.800.456.3003 | CAN: 1.800.268.6011 | INTL: +1.416.492.2627

Step 8: Final Verification

1. Return to the Canvas Portal.
2. Your new SSO application should now be active and ready for student access.

Troubleshooting

If you run into any issues during setup, double-check the following:

- ✓ The JSON URL was entered correctly during developer key creation.
- ✓ The Client ID and Deployment ID were copied accurately.
- ✓ Canvas credentials were entered properly in the MGI application.
- ✓ App installation and activation were successfully completed in Canvas.

Still need help? Contact the **Customer Service Team** at customerservice@mhs.com.

You're All Set!

Your Canvas SSO integration with MHS Group Insights is now active and ready for use. For additional guidance or troubleshooting, please reach out to the Customer Service Team.

Thanks for setting everything up carefully—it helps ensure a smooth experience for every educator and student accessing the platform.
